NOTES
-5 monitor mixes required
-The FOH mix should sound as natural as possible, subtle reverb on vox is ok
-Please ensure lead vocal is clear and present at all times, lyrics clearly audible
-BG vox clear and present, tucked slightly behind lead vox

-Please ensure guitar is full and warm, HPF max 125 Hz
-Acoustic guitar and fiddle have own DI/preamps
-Drum underhead MUST be omni pattern condenser mic
-Accordion-condenser mic preferred but dynamic is ok
